First announcement

# V KONGRES EPILEPTOLOGII

## Polskiego Towarzystwa Epileptologii

Dear Colleagues and Friends,

On behalf of the Organizing Committee I have a great pleasure and honor to invite you to Warsaw to attend the V<sup>th</sup> Congress on Epileptology of the Polish Society of Epileptology.

### **The scientific programme**

will comprise four main topics selected with great care to satisfy all participants working in different fields of epilepsy:

- **Differential diagnosis of epilepsy and non-epileptic seizure disorders**
- **Epilepsy – cost of the management**
- **Therapeutic management in epilepsy**
- **Free topics**

As always the Congress will be preceded by Symposium on Epilepsy and Pregnancy.

An important programme element are the sessions organized by Commissions of Polish Society of Epileptology and satellite symposia.

I hope that you will enjoy not only the scientific programme but also social events that Organizing Committee is planning.

Looking forward to see you in Warsaw.

**Joanna Jędrzejczak M.D., Ph.D.**  
Chairwoman of the Organizing Committee
